

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0831/P1dn
PG:cjs:jm

January 2, 2013

Andy and Tom:

This preliminary draft uses the dollar amounts you suggested at our meeting, uses 10 miles as the distance, and does not include a “solvency factor.” Also, note the last sentence. I wasn’t sure how to phrase the purpose for which the aid must be used. Finally, do you want this aid to count as revenue for revenue limit purposes?
