WCC Spring Hearings Results for 2013

QUESTION 71. Transfer Class A Bear Harvest Permit (from resolution 510112) (requires legislation)

At present there is no way to transfer a Class A Bear Harvest Permit to a currently active duty Armed Forces member or Purple Heart recipient.

Permits that are transferred have already been applied for and received by a person. There is no need to have any special permits available above and beyond the approved quotas or permits that the DNR has set for that year's season.

71. Are you in favor of a Class A Bear Harvest Permit holder to have the ability to transfer their Bear Harvest Permit to any currently active duty Armed Forces member or Purple Heart recipient for a once in a lifetime transfer?

Votes Yes = 3753

Votes No = 802

Majority = Yes

Counties Approving = 72

Counties Rejecting = 0

Counties Tie Vote = 0

QUESTION 85. Transfer of license/ permit (from resolution 440111) (requires legislation)

Some Wisconsin senior and/or disabled residents may not have the opportunity to harvest a bear, bobcat, turkey, fisher, otter, or sturgeon, as the ability to harvest these species requires individuals to obtain a harvest permit using the cumulative point preference system. The length of time it takes to secure a permit varies, but can be a number of years. This extended period of time required to acquire a permit may prevent some senior and/or disabled residents with deteriorating health from participating in one of these harvest opportunities.

85. Would you support legislation to allow the transfer of a valid permit from a successful permit holder to a senior (65 years of age or older) or disabled resident for a "first time" or "one time" harvest opportunity?

Votes Yes = 3459

Votes No = 976

2013 BILL

April 12, 2010 - Introduced by Senators DECKER, LEHMAN, SCHULTZ and TAYLOR, cosponsored by Representatives SINICKI, KAUFERT, PRIDEMORE, PETROWSKI and SUDER. Referred to Committee on Transportation, Tourism, Forestry, and Natural Resources.

D-Note

1 AN ACT to amend 29.024 (2) (d); and to create 29.184 (6m) of the statutes;
2 relating to: transfer of Class A bear licenses to persons awarded ^{the} purple heart
3 ~~medals~~ or serving on active duty in the U.S. ~~armed forces~~

except under
very limited circumstances

The
Analysis by the Legislative Reference Bureau

Under current law, the Department of Natural Resources (DNR) issues two types of bear hunting licenses. A Class A bear license allows the license holder to shoot and kill bear. A Class B bear license allows the license holder to assist a Class A bear license holder in pursuing bear, to bait bear, and to train dogs to pursue bear, but it does not allow the license holder to actually shoot at or kill bear. DNR administers a cumulative preference system for issuing Class A bear licenses if the number of applicants for the licenses exceeds the number of licenses available. The more preference points an applicant has, the higher the priority he or she is given in the issuance of the Class A bear licenses.

The
or service member

STET This bill allows a person who is issued a Class A bear license to transfer that license to a person who was awarded a purple heart medal. The bill provides that a purple heart medal recipient may be the transferee of a Class A bear license only once during his or her lifetime. The transfer of a license to a purple heart medal recipient does not affect the number of preference points that the transferee may have previously acquired under the cumulative preference system. The bill allows both residents and nonresidents to transfer Class A bear licenses and allows both residents and nonresident to be the transferees. No fee in addition to the original fee paid by the transferor of the license is required except that, if a resident transfers

or to a person who is serving on active duty in the U.S. armed forces (service member)

SENATE BILL 683

a license to a nonresident, the resident must pay a fee equal to the difference between the fees for the nonresident and resident license. There is no rebate of the fee if a nonresident transfers a license to a resident.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 SECTION 1. 29.024 (2) (d) of the statutes is amended to read:

2 29.024 (2) (d) Except as provided under s. 29.179, 29.180, 29.182 (4), 29.184
3 (6m) ^{plain → 29.185 (4),} or 29.519 (2) (d) or by rule, no person may transfer his or her approval or permit
4 the use of any approval by any other person.

5 SECTION 2. 29.184 (6m) of the statutes is created to read: ^(b)

6 29.184 (6m) TRANSFER OF CLASS A BEAR LICENSES. ^(a) Upon application by a
7 holder of a Class A bear license to transfer the license to a person awarded the purple
8 heart medal, and upon the payment of any fee required under par. ^{ec} ~~(b)~~, the
9 department shall transfer the license to the person awarded the purple heart medal
10 ^{or the service member} if the application is made no later than 15 days immediately preceding the open
11 season for the hunting of bear to which the license applies and if the person awarded
12 the purple heart medal ^{or the service member} has not been previously transferred a license under this
13 subsection.

14 ^(c) ~~(b)~~ If the holder of a Class A bear license is a resident and the holder applies
15 to transfer the license to a nonresident, the holder shall pay, at the time of
16 application, the difference between the fee for a Class A bear license to a resident and
17 the fee for a Class A bear license to a nonresident.

18 ^(d) ~~(c)~~ Notwithstanding sub. (6) (b), a person who is transferred a Class A bear
19 license under this subsection shall retain all preference points that he or she has
20 previously accumulated.
