Fern,

Rep Kooyenga would like to draft an amendment to AB484/ SB378. The proposed change would affect section 66.1105 (2) (f) 2.b.

- The cost of constructing or expanding any facility, except a parking structure that supports redevelopment activities, if the city generally finances similar facilities only with utility fees.

I have attached an informational sheet for background on the proposed changes. Thank you for your time.
