1 AN ACT relating to: ratification of the agreement negotiated between the state  
2 of Wisconsin and the Wisconsin State Attorneys Association, Inc., for the  
3 2013-14 fiscal year, covering employees in the professional legal collective  
4 bargaining unit, and authorizing an expenditure of funds.

*Analysis by the Legislative Reference Bureau*

This proposal is introduced under section 111.92 (1) of the statutes. The proposal ratifies the collective bargaining contract for state employees in the professional legal collective bargaining unit negotiated for the 2013-14 fiscal year under the State Employment Labor Relations Act. Currently, statutory program supplement appropriations fund the costs of collective bargaining agreements to the extent that they exceed budgeted costs. The proposal authorizes expenditure of moneys from those appropriations to fund the cost of this agreement.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

5 SECTION 1. Agreement ratified. The legislature ratifies the tentative  
6 agreement negotiated for the 2013-14 fiscal year between the state of Wisconsin, the

4 professional legal collective bargaining unit and approved and recommended by the  
5 joint committee on employment relations, and authorizes the necessary expenditure  
6 of moneys for implementation from the appropriations made by section 20.865 (1) of  
7 the statutes, subject to section 20.865 (intro.) of the statutes. The director of the office  
8 of state employment relations shall file an official copy of the agreement, certified by  
9 the cochairpersons of the joint committee on employment relations, with the  
10 secretary of state. No formal or informal agreement between the parties that is not

OK, I figured there must be a reason you had it listed that way. If there's no legal reason we have to include the "Inc." maybe we could leave it off since WSAA doesn't use it either....unless it's too much work. Thanks for the explanation.

WSAA is a non-stock corporation registered with DFI, but we can certainly use any name that you think best:

One thing I noticed as I was re-reading these bills is that you have WSAA's name listed including "Inc." I was not able to find anything here that includes "Inc." with WSAA's name. Do you have something that shows this is how their name should actually read? For example, the Petition for Election that WSAA submitted to WERC for the November recertification election does not include "Inc."

Thanks.
