Hi Tim,

I have a couple of questions about the instructions, the relevant parts I marked in red below.

Is the intent that DOT will have the signs manufactured? Or will the non-profit have the signs manufactured and then provide them to DOT?

Also, I'm not sure what "title cased" means. Can you clarify that?

Thanks. Aaron

1 AN ACT /...; relating to: signs for the Nichole M. Frye Memorial Bridge on STH
2 141 in Oconto County.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Transportation (DOT) must designate and mark the bridge on STH 141 in the Town of Lena in Oconto County as the "Nichole M. Frye Memorial Bridge" in honor and recognition of Nichole M. Frye, who sacrificed her life in Operation Iraqi Freedom.

Under this bill, if DOT receives from a nonprofit organization two signs meeting certain criteria that display the words "SPC Nichole M. Frye Memorial Bridge," DOT must attach these signs to the Nichole M. Frye Memorial Bridge in a specified manner. DOT may not charge a sign installation fee in excess of its actual cost of installation of these signs. The requirement that DOT install these signs applies regardless of whether DOT previously installed markers for the bridge.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 84.10345[✓] of the statutes is renumbered 84.10345[✓] (1).

4 SECTION 2. 84.10345[✓] (2) of the statutes is created to read:
