~~PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION~~
2013 ASSEMBLY JOINT RESOLUTION

1 **Relating to:** proclaiming November 2013 as Pancreatic Cancer Awareness Month.

2 Whereas, pancreatic cancer is one of the deadliest cancers, is the fourth leading
3 cause of cancer death in the United States, and is the only major cancer with a five-
4 year relative survival rate in the single digits; and

5 Whereas, when symptoms of pancreatic cancer generally present themselves,
6 it is often too late for an optimistic prognosis, and the average survival rate is only
7 five to seven months; and

8 Whereas, the incidence ^{of} and death rate for pancreatic cancer are increasing, and
9 pancreatic cancer is anticipated to move from the fourth to the second leading cause
10 of cancer death in the United States by 2020; and

11 Whereas, the federal government invests significantly less money in pancreatic
12 cancer research than it does in any of the other leading cancer killers, and pancreatic
13 cancer research constitutes only approximately two percent of the National Cancer

2

1 Institute's federal research funding, a figure far too low given the severity of the
2 disease, its mortality rate, and how little is known about how to arrest it; and

3 Whereas, the Recalcitrant Cancer Research Act was signed into law on January
4 2, 2013, ^{calling} ~~and calls~~ on the National Cancer Institute to develop scientific frameworks
5 that will help provide the strategic direction and guidance needed to make true
6 progress against recalcitrant or deadly cancers, including pancreatic cancer; and

7 Whereas, November has been declared National Pancreatic ~~Awareness Month,~~ Cancer
8 and

9 Whereas, the Pancreatic Cancer Action Network is the national organization
10 serving the pancreatic cancer community in Wisconsin and nationwide through a
11 comprehensive approach that includes public policy, research funding, patient
12 services, and public awareness and education related to developing effective
13 treatments and a cure for pancreatic cancer; and

14 Whereas, the Pancreatic Cancer Action Network and its affiliates in Wisconsin
15 are enhanced as a direct result of increased awareness about pancreatic cancer and
16 research into early detection, causes, and effective treatments; now, therefore, be it

17 ***Resolved by the assembly, the senate concurring, That*** the members of the
18 legislature proclaim November 2013 Pancreatic Cancer Awareness Month in the
19 ~~State of Wisconsin~~ ^y and urge its citizens to educate themselves about pancreatic
20 cancer and the need for research funding, early detection methods, effective
21 treatments, and prevention programs.
