Subject: Amendments to Sub 1 to SB 48

Peter:

I need two rush amendments drafted for the substitute amendment to SB 48. The reason for the rush is that Sen. Gudex is enforcing a 24-hour rule on the Economic Development committee, which meets Tuesday morning at 10 a.m.

1. Directing that an actuarial study to be done by ETF to see how much various size cities might have to put aside each year to meet the requirement of the bill. Give ETF 9 months to complete the study. Once that is complete, direct that it be given to JFC. JFC would have 90 days to vote to approve the implementation of the Act. If JFC fails to take action, the Act dies.

2. Directing that the state pay for the periodic actuarial study that a municipality will have to do as required by the bill.
