Just to clarify: you want a new senate sub (one with a new LRB number).

Thanks, but I think we should go ahead with the new sub. I'll take care of the stripes.

It looks like the sub has already been introduced. You may want DOR to weigh in on it and see if they recommend any technical changes. At that point we could prepare a simple amendment to address their concerns and tweak the language as necessary. Otherwise I can prepare a simple amendment for the committee's consideration.

Thanks, Joe. Could we please add the language anyway? We'd like to ensure that there's an acknowledgment of the transfer by DOR to provide certainty with the transfers. If we could change it in the senate sub and have it rushed, we would really appreciate it.

It's not included in the text I created for the sub. DOR will receive the transfer documents and has general authority (by way of other parts of the statutes) to conduct audits and disallow or adjust credit amounts. I'm not sure what would be gained by having DOR certify ownership. It seems redundant.

Hi, Joe:

When I sent over the changes yesterday, I included this language:

- "Any person, including without limitation, a non-profit entity with a Section 501 (c)3 designation under the federal Internal Revenue Code, may sell or otherwise transfer the credit to another person, including, without limitation, a non-profit entity with a Section 501 (c)3 designation under the federal Internal Revenue Code, if the person notifies the department of the transfer and submits with the notification a copy of the transfer documents and the department certifies ownership of the credits with each transfer."

I just want to make sure – is the highlighted portion included or referred to in statute?

Thanks!
