2013 BILL

Companion no changes

Reger

1 AN ACT to renumber 40.02 (1); to amend 40.03 (6) (a), 40.03 (6) (b) and 632.895
2 (17) (b) (intro.); and to create 40.02 (1d), 40.03 (6) (k), 40.56 and 632.895 (17)
3 (e) of the statutes; relating to: prohibiting the group insurance board from
4 contracting for or providing abortion services and exempting religious
5 employers, religious organizations, and religious institutions of higher
6 education from contraceptive insurance coverage.

Analysis by the Legislative Reference Bureau

Under current law, the Group Insurance Board (GIB) enters into health insurance contracts and provides a health insurance plan on a self-insured basis for eligible employees under the Wisconsin Retirement System, which include all state employees and state annuitants and may include local government employees if the local governmental unit elects to participate in a GIB health insurance plan. Among the health care procedures that are currently covered under the health insurance contracts and the state self-insured health care plan are abortion services. This bill prohibits GIB from entering into any contract with respect to a group health insurance plan or providing a group health insurance plan on a self-insured basis that provides abortion services, with certain exceptions.

Under current law, disability insurance policies, also known as health insurance policies, and self-insured governmental and school district health plans must cover the cost of contraceptives prescribed by a health care provider and of

BILL

services that are necessary to prescribe, administer, maintain, or remove the contraceptive. Contraceptives are drugs or devices approved by the federal Food and Drug Administration to prevent pregnancy. This bill exempts from the coverage of contraceptives and related services an insurer that issues a group health insurance plan to a religious employer, religious organization, or religious institution of higher education, if that employer, organization, or institution meets the criteria specified in the bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
