Hi Diane!

Sorry for the delay. Glenn just agreed to do a companion bill. You can ask the drafter to send it over to us and we'll introduce it as soon as we get it!

Thanks! Let me know if there is anything else you need.

1 AN ACT to amend 43.12 (1) of the statutes; relating to: county payments to
2 public libraries in adjacent counties.

Analysis by the Legislative Reference Bureau

Under current law, a county that does not maintain a consolidated public library for the county and that contains residents who are not residents of a municipality that maintains a public library must pay to each public library in the county, and to each public library in an adjacent county, an amount that is equal to at least 70 percent of the amount computed by multiplying the number of loans of material made by that library to residents of the county who are not residents of a municipality that maintains a public library by the library's average operational cost per loan (library service payment).

Under this bill, a county, whether or not it maintains a consolidated public library for the county, must make a library service payment to each public library in an adjacent county.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 43.12 (1) of the statutes is amended to read:
