RE: relating to: changing the names, Wisconsin higher education grants, and tuition grants, to Wisconsin grants (LRB 2504/1)

As the legislative representatives to the 2012 Commission on Financial Aid Consolidation and Modernization, we are introducing legislation that was recommended by the commission.

LRB 2504 would change the name of the of the Wisconsin Higher Education Grants and Wisconsin Tuition Grants to Wisconsin Grants. The WHEG and WTG programs are separated into WHEG-UW, WHEG-technical colleges, WHEG-tribal, and WTG (which is awarded to private, non-profit college students). Since these programs work in very similar ways, fund similar sorts of students, and see their formulae set in the same manner, the commission believes there would be merit in the programs sharing a common name.

This legislation would therefore change the name of these programs to Wisconsin Grants-University of Wisconsin System students, Wisconsin Grants-technical college students, Wisconsin Grants-tribal college students, and Wisconsin Grants-private college students.

If you would like to be added as a co-sponsor, please contact Bethany Anderson in Rep. Ballweg's office (Bethany.Anderson@legis.wi.gov | 6-8077) or Terry Tuschen in Sen. Risser's office (Terry.Tuschen@legis.wi.gov | 6-1627).

The deadline to be added is October 18, 2013.

Analysis by the Legislative Reference Bureau

Under current law, there is established, to be administered by the Higher Educational Aids Board (HEAB), a higher education grant program for postsecondary resident students enrolled at least half-time and registered as freshmen, sophomores, juniors, or seniors in the University of Wisconsin System, a technical college, or a tribal college in this state. Currently, grants under that program are referred to as "Wisconsin higher education grants" and the titles to the appropriations funding those grants specify the students funded under each appropriation, specifically, "Wisconsin higher education grants; University of Wisconsin System students," "Wisconsin higher education grants; technical college students," and "Wisconsin higher education grants; tribal college students." This bill changes the name of those grants to "Wisconsin grants" and conforms the titles to the appropriations funding those grants accordingly.

Similarly, there is established, to be administered by HEAB, a tuition grant program for resident students enrolled at least half-time and registered as freshmen, sophomores, juniors, or seniors in accredited, nonprofit, post-high school, educational institutions in this state (private colleges). Currently, the appropriation funding those grants is entitled "Tuition grants" and the statute section authorizing those grants is entitled "Grants." This bill changes the titles of the appropriation funding those grants and the statute section authorizing those grants to "Wisconsin grants; private college students."
