Hi Steve,

Not a huge rush on this. I'd hope to get it done in June, but could you kindly draft this as a Senate Joint Resolution?

Many thanks and hope all is well.

Jen
Office of Sen. Tiffany

Whereas, gastroschisis is a birth defect which causes the intestines to protrude from the abdomen and is rapidly increasing in incidence; and

Whereas, 1 in 2229 individuals are born with gastroschisis in the United States annually; and

Whereas, many Americans living with gastroschisis have serious and debilitating conditions that have a significant impact on their lives, including but not limited to failure to thrive/slow growth, multiple organ transplants, and long term feeding issues; and

Whereas, individuals and families affected by gastroschisis often experience problems such as a sense of isolation, difficulty in obtaining an accurate and timely diagnosis, few treatment options, and problems related to accessing or being reimbursed for treatment; and

Whereas, the cause of gastroschisis is relatively unknown, patients and their families must bear a large share of the burden for things such as raising funds for research; and

Whereas, an official Awareness Day proclamation is often the precursor to funding for research and other avenues of support; and

Whereas, Avery's Angels Gastroschisis Foundation is organizing a nationwide observance of Gastroschisis Awareness Day on July 30, 2013, and every year thereafter; and

Whereas, Avery John Rauhen, the son of the founder of Avery's Angels, passed away from complications of his gastroschisis on July 30, 2009 at UNC hospital, and this date is to commemorate him and all others living with or deceased from gastroschisis; now,

Therefore, be it resolved by the Senate, the Assembly concurring, that the members of the Wisconsin Legislature proclaim July 30, 2013 as Gastroschisis Awareness Day in the state of Wisconsin, and commend this observance to all citizens; and

Be it further resolved, that the members of the legislature call upon our citizens to learn more about gastroschisis to help to raise awareness; and

Be it further resolved, that the Senate Chief Clerk shall provide a copy of this joint resolution to Avery's Angels Gastroschisis Foundation.
