Subject: Re: 0284/P1 - MSP Review Process

Joe,

On the changes to joint finance review of municipal service payments, the intention is to do the following:

1. No review or approval regarding guidelines.
2. Remove the passive review process for payments, but require the department to submit to JCF the negotiated entitlements for each municipality. This should still happen at the same date as before.

The only change, as far as I can tell, comes from #2 there.

Let me know if you have questions. Thanks!
