1 **Analysis insert**

Currently, this state operates a program (known as PECFA) to reimburse owners of certain petroleum product storage tanks for a portion of the costs of cleaning up discharges from those tanks. Under current law, DSPS administers PECFA, with involvement by DNR. Current law also authorizes DSPS to provide funding for the removal of abandoned underground petroleum product storage tanks.

This bill transfers the administration of PECFA and the authority to fund the removal of abandoned underground petroleum product storage tanks from DSPS to DNR.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
