Jeff,

Yes, I agree that the Building Program would go in as one draft. I think you would have the following two items in motion #534, which included both Building Commission and Building Program questions.

4. *Medical College of Wisconsin (Paper #170, Alternative 2)*. Modify the Building Commission's recommendation to replace the references in the amendment to the cities of Green Bay and Wausau with references to northeast Wisconsin and central Wisconsin

5. *Facilities Maintenance and Repair Projects (Paper #171)*. Exclude Item #12. This means delete (4) on page 34 of the Building Program draft (lrb0022/1)

Also, here is the language from motion #535, which passed 16-0.

## BUILDING PROGRAM

### UW Whitewater Dormitory Facilities

Motion:

Move to amend the enumeration of the Bigelow and Benson Halls renovation projects on UW Whitewater campus under the 2011-13 state building program to rename the enumeration as a west campus residence hall upgrade project.

---

Note:

This motion would replace the UW Whitewater Bigelow and Benson Halls renovation project enumeration and funding, which was included in the 2011-13 state building program, with a west campus residence hall upgrade project. The west campus residence hall would be funded with the \$12,233,000 in program revenue supported borrowing that was previously authorized under the 2011-13 Building Program.
