BUILDING PROGRAM

UW Whitewater Dormitory Facilities

Motion:

Move to amend the enumeration of the Bigelow and Benson Halls renovation projects on UW Whitewater campus under the 2011-13 state building program to rename the enumeration as a west campus residence hall upgrade project.

---

Note:

This motion would replace the UW Whitewater Bigelow and Benson Halls renovation project enumeration and funding, which was included in the 2011-13 state building program, with a west campus residence hall upgrade project. The west campus residence hall would be funded with the \$12,233,000 in program revenue supported borrowing that was previously authorized under the 2011-13 Building Program.
