funding board surcharge be assessed only after an offender pays the global positioning system tracking surcharge in full.

10. *OpenBook Requirement for Municipalities Revision.* Modify Motion #236 related to local expenditure reporting (OpenBook) to make reporting requirements effective September 1, 2016, rather than July 1, 2015.

11. *Register of Deeds Fees and Statewide Digital Parcel Map Modifications.* Modify Motion #249 associated with required access to land records to specify that all counties must post to the Internet the following property tax assessment data provided to the county by municipalities: (a) the assessed values of land; (b) the assessed values of improvements; (c) the total assessed values; (d) the class of property as specified under s. 70.32(2)(a) and the estimated fair market value; and (e) the total property tax.

12. *Rehired Annuitants: Substitute Motion on Previous Action.* Delete the provisions adopted under Motion #352 and Motion #510. Instead adopt Alternative 2 in LFB Paper #259. In addition, provide that, if a participant receiving a retirement annuity, or a disability annuitant who has attained his or her normal retirement date, enters into a contract to provide employee services with a participating employer and he or she is expected to work at least two-thirds of what is considered full-time employment by the Department of Employee Trust Funds, as determined by rule, the participant's annuity must be terminated and no annuity payment may be payable until after the participant no longer provides employee services under the contract. [The provision adopts the Governor's 75-day break-in-service requirement and two-thirds standard, applies the two-thirds standard to contracts, and adopts the ETF process for administering the accounts of rehired annuitants.]

13. *2013-15 Executive Branch Agency Position Reductions.* Require the Secretary of DOA, during the 2013-15 biennium, to delete a total of 450 positions from executive branch agencies. Require the Secretary of DOA to submit a report to the Joint Committee on Finance by January 1, 2015, that identifies the deleted positions by appropriation, by agency.

Health Services, Insurance and Professional Regulation

14. *Bail Bond Agents, Bail Bond Agencies, and Bail Recovery Agents in Dane, Kenosha, Milwaukee, Racine and Waukesha Counties.* Establish credentialing requirements in the Department of Safety and Professional Services (DSPS) for bail bond agents, bail bond agencies, and bail recovery agents, as described below. Allow a licensed bail bond agent or bail bond agency to act as a surety under current law provisions related to bail and other conditions of release. Allow a licensed bail bond agent or a licensed bail bond agency to be compensated at a rate of 10 percent of the amount of the bail bond set.

Specify that a licensed agent or licensed agency may only be compensated to act as a surety for a bail bond in an action brought in Dane, Kenosha, Milwaukee, Racine, or Waukesha Counties. Specify that five years after the effective date of the bill, this limitation on the area where agents or agencies may be compensated no longer applies (effectively implementing this policy statewide).

Jere, you folks did a great job! It was sad to see you all still there at 5:30 this morning when I turned on WisEye. Anyway, question for you: Am I drafting Item 13 on WrapUp Motion—the one on DOA deleting 450 positions—for you?
