PUBLIC INSTRUCTION

Omnibus Motion
[LFB Papers #505 through #524]

Motion:

Move to adopt the following items:

1. *State Support for K-12 Education and General School Aids Funding Level (Paper #505)*. Increase the per pupil adjustment under revenue limits by \$75 in 2013-14 and by another \$75 in 2014-15, which would increase school district revenue limit authority by an estimated \$34,000,000 in 2013-14 and \$96,000,000 in 2014-15. Provide an additional \$5,000,000 GPR in 2013-14 and \$36,000,000 GPR in 2014-15 in general school aids. Provide \$63,487,500 GPR in 2013-14 and \$126,975,000 GPR in 2014-15 to fund a \$75 per pupil categorical aid in 2013-14, with an additional \$75 in 2014-15. Create a GPR sum sufficient appropriation to make these payments, and provide that the current three-year rolling average pupil count under revenue limits would be used to calculate this per pupil aid to school districts. Specify that this per pupil aid would be paid on the fourth Monday in March.

[Under Item 1, there would be a \$75/\$75 per pupil adjustment under revenue limits, and an additional state funded \$75/\$75 per pupil categorical aid that would be outside of revenue limits.]

2. *Lottery and Gaming Credit Reestimate*. Increase the lottery and gaming credit by an estimated \$8,639,400 SEG in 2013-14 and \$114,000 in 2014-15 attributable to higher ticket sales in 2012-13 and adjustments previously approved by the Committee to administrative funding.

3. *General Aid Calculation for Consolidated School Districts (Paper #506)*. Adopt Alternative #A1, which approve the Governor's recommendation, as modified, to specify that: (a) the equalization aid formula factors for a consolidated district be increased by 10% in the sixth year after consolidation and by 5% in the seventh year after consolidation; and (b) that the special adjustment aid guarantee for a consolidated district in the sixth year after consolidation be set at an amount equal to 66% of the special adjustment aid received in the fifth year after consolidation as a result of the hold harmless provision related to the separate districts' aid payments, and that, in the seventh year after consolidation, the guarantee be set at 33% of that aid amount.

4. *Revenue Limit Adjustment for Uncounted Open Enrollment Pupils (Paper #507)*. Adopt Alternative #1 to specify that the revenue limit adjustment for uncounted open enrollment pupils be nonrecurring, including adjustments received by school districts in 2012-13.

5. *School Performance Incentive Grants (Paper #510)*. Adopt Alternatives A4, B4, and C4 to delete the Governor's recommendation. Delete \$64,000,000 GPR in 2014-15.

Subject: Redrafts on 0375 and 0376

Hi Fern,

I have a couple quick things on these two drafts.

On 0375, please change the payment language so that the payments are "equal to" 66 percent and 33 percent of the amount, not "not less than."

On 0376, I think you need to draft language parallel to 118.60(4)(bg)3. under 119.23 so the provisions also apply to the Milwaukee program. Also on 0376, I talked with Peter a little bit about this and I'm going to come up with a suggested definition of "statewide categorical aid per pupil," since that's not a really well-defined term. I'll include you on that e-mail.

Please let me know if you have any questions.

Thanks,
Russ
