PJK notes on (B)

① p 36, line 18: I'm not sure that this is necessary, but I'm uncomfortable with substituting as a new SECTION at the end of a ~~statutory~~ statutory provision instead of after it. (not sure if number line given it - *b0226/s. 21* - will work).
 - delete if not necessary -

② p 41, line 2: I'm not sure this is necessary, either, but just in case the new "L." language goes into a line between lines 10+11... (not sure that number line given it is correct).
 - delete if not necessary -
