I spoke with Cathlene, and I think she will be doing it, although I am not sure how to summarize it because I am not sure what it means.

I just spoke with the administration, and they did mean for these six words to be included. So go ahead and please draft this as an amendment. I have cc'd Summer Shannon-Bradley in case you have any questions.

Thanks,

Jenny

**Subject:** RE: Single Prime

I just spoke with Al Runde. As Al just said, DOA specifically removed this provision in their errata. They struck it out from the created section.

We don't exactly know the effect of the proposed change. We try to avoid adding such vague language and instead try to identify the particular provisions that are excepted.

**Subject:** Single Prime

A claim has been made that the errata language submitted by the governor for single prime was inadvertently left out. Can you look at this draft and confirm that that is the case? If so, please make this change. If not, please let me know what the effect of this change would be.

Thank you,

Jenny
