I think it's you. Unless they want it bargainable (and it seems they don't), it's you.

Huh? Should I just draft this? Do you want to do it?

Sen. Carpenter budget amendment 9

The budget generally eliminates local governments' ability to require its employees to live within the municipality. Tim would like to amend this provision to require an 8% pay cut for City of Milwaukee police officers and firefighters if residency is repealed and they move out of the municipality.

If you have any questions or comments, please let me know.
