Sen. Carpenter Amendment 11

Tim would like an amendment drafted that has two parts:

1. The budget eliminates a statute that prohibits widening I-94 through Wood National Cemetery. (Chapter 84.014 (5r)). Tim would like an amendment drafted that keeps current law restriction on widening such lanes.
2. Next, for the reconstruction of I-94 from Hawley Rd to Stadium interchange, please add language to the amendment that would (a) Prohibit the building of "double decked" lanes and (b) prohibit any removal or relocation of deceased laid to rest in the nearby veterans cemeteries including Wood National Cemetery.

See references below.

If you have any questions or comments, please let me know.

Regards,

G. Stuart Ewy
