

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa0119/P1dn
RCT:eev:jm

February 22, 2013

This is a preliminary version of the amendment to adopt the timelines in 2013 SB 3. The deadlines in this amendment look different from those in that bill because of differences between the processes in that bill and in 2013 SB 1. In 2013 SB 3, the total number of days from submission of the application for the mining permit to the final decision on the application, including the contested case hearing but excluding any extensions, is 730. Under this amendment, that total number of days is also 730.

This amendment includes the provisions on extensions of the deadline for DNR action from 2013 SB 3. If you do not want those, please let me know. Also, please contact me with any questions or other redraft instructions.
