1 **AN ACT to create** 20.235 (1) (fw) and 39.415 of the statutes; **relating to:** technical
2 excellence higher education scholarships, granting rule-making authority, and
3 making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the Higher Educational Aids Board (HEAB) administers the Academic Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain scholars, designated on the basis of grade point average, who enroll, on a full-time basis, in a public or private institution of higher education in this state. Under the program, a higher education scholarship recipient who enrolls in a technical college school (district school) is exempt from all tuition and fees, up to \$2,250 per academic year, for each year, up to three years, that the recipient is enrolled full time, maintains at least a 3.000 grade point average, and makes satisfactory progress toward an associate or a bachelor's degree or a vocational diploma. Under that program, HEAB pays the institution of higher education attended by a scholar up to \$1,125 per academic year and the institution must match the amount paid to the institution by HEAB.

Currently, those scholarships may be awarded: 1) to the senior with the highest grade point average from each high school in this state enrolling at least 80 but fewer than 500 pupils; 2) to the two seniors with the two highest grade point averages from each high school in this state enrolling at least 500 but fewer than 1,000 pupils; 3) to the three seniors with the three highest grade point averages from each high school in this state enrolling at least 1,000 but fewer than 1,500 pupils; 4) to the four

BILL

seniors with the four highest grade point averages from each high school in this state enrolling at least 1,500 but fewer than 2,000 pupils; 5) to the five seniors with the five highest grade point averages from each high school in this state enrolling at least 2,000 but fewer than 2,500 pupils; and 6) to the six seniors with the six highest grade point averages from each high school in this state enrolling 2,500 or more pupils. In addition, those scholarships may be awarded to the senior with the highest grade point average from the school operated by the Wisconsin Center for the Blind and Visually Impaired and the school operated by the Wisconsin Educational Services Program for the Deaf and Hard of Hearing and not more than ten scholarships statewide may be awarded to seniors with the highest grade point averages from high schools enrolling fewer than 80 pupils.

This bill creates a Technical Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain scholars, designated on the basis of level of proficiency in technical education subjects, who enroll, on a full-time basis, in a district school or a proprietary school approved by the Educational Approval Board that is located in this state and that is certified by HEAB as specializing in technical education. Under the Technical Excellence Higher Education Scholarship Program, the number and amounts of scholarships awarded, the duration for which a scholarship may be awarded, the conditions for continued receipt of a scholarship, and the institutional match requirement are the same as under the Academic Excellence Higher Education Scholarship Program.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 may be awarded by the board.

5 (g) If 2 or more seniors from the school operated by the Wisconsin Educational
6 Services Program for the Deaf and Hard of Hearing have the same level of proficiency
7 in technical education subjects and, except for the limitation of one designated
8 senior, are otherwise eligible for designation under par. (c) 2., the executive secretary
9 shall make the designation under par. (c) 2. of the senior who may be eligible for a

21 scholars from among the pupils enrolled in the high school at the time of closure or
22 merger as the number of scholars designated for that high school in the school year
23 the high school closed or merged. Any seniors designated under this paragraph shall
24 be eligible for an original scholarship under this section.

10 toward an associate degree, a bachelor's degree, or a vocational diploma, the student
11 is eligible to receive a higher education scholarship as determined under par. (a) in
12 the subsequent year or, if the scholar does not enroll in a participating district school
13 or proprietary school in the subsequent year, in the 2nd year following the year in

16 (c) Subject to sub. (6), for each year the student receives a higher education

23 section, the board shall pay the proprietary school, on behalf of the pupil, an amount
24 not to exceed \$1,125 per academic year.

BILL

1 (b) For each academic year that a scholar who receives a scholarship under par.
2 (a) is enrolled full time, maintains at least a 3.000 grade point average or the

4 toward an associate degree, a bachelor's degree, or a vocational diploma, the student
5 is eligible for a higher education scholarship as determined under par. (a) in the
6 subsequent year or, if the scholar does not enroll in a participating district school or
7 proprietary school in the subsequent year, in the 2nd year following the year in which
8 the scholar received the scholarship. No scholar is eligible for a higher education
9 scholarship for more than 3 years at a proprietary school.

10 (6) PAYMENTS; MATCH REQUIRED. (a) The board shall make the payments under

23 certifies that the proprietary school is located in this state and specializes in
24 technical education. An approval under this subdivision remains valid until

BILL

1 suspended or revoked by the board or until withdrawn by the school as provided
2 under subd. 2.

3 2. If a district school or proprietary school that is approved under subd. 1. for
4 participation in the scholarship program under this section subsequently wishes to
5 no longer participate in the program, the school shall notify the board of this fact in

8 (b) Each designated scholar who is eligible for an original higher education
9 scholarship under sub. (4) (a) or (5) (a) shall notify the board as soon as practicable
10 of the district school or proprietary school he or she will be attending in the next

13 practicable whether he or she will be enrolling in a participating district school or
14 proprietary school in the academic year immediately following the academic year in

legen

1 AN ACT to create 20.235 (1) (fw) and 39.415 of the statutes; relating to: technical
2 excellence higher education scholarships, granting rule-making authority, and
3 making an appropriation. district

Analysis by the Legislative Reference Bureau

X Under current law, the Higher Educational Aids Board (HEAB) administers the Academic Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain scholars, designated on the basis of grade point average, who enroll, on a full-time basis, in a public or private institution of higher education in this state. Under the program, a higher education scholarship recipient who enrolls in a technical college school (district school) is exempt from all tuition and fees, up to \$2,250 per academic year, for each year, up to three years, that the recipient is enrolled full time, maintains at least a 3.000 grade point average, and makes satisfactory progress toward an associate or a bachelor's degree or a vocational diploma. Under that program, HEAB pays the institution of higher education attended by a scholar up to \$1,125 per academic year and the institution must match the amount paid to the institution by HEAB.

Currently, those scholarships may be awarded: 1) to the senior with the highest grade point average from each high school in this state enrolling at least 80 but fewer than 500 pupils; 2) to the two seniors with the two highest grade point averages from each high school in this state enrolling at least 500 but fewer than 1,000 pupils; 3) to the three seniors with the three highest grade point averages from each high school in this state enrolling at least 1,000 but fewer than 1,500 pupils; 4) to the four

BILL

seniors with the four highest grade point averages from each high school in this state enrolling at least 1,500 but fewer than 2,000 pupils; 5) to the five seniors with the five highest grade point averages from each high school in this state enrolling at least 2,000 but fewer than 2,500 pupils; and 6) to the six seniors with the six highest grade point averages from each high school in this state enrolling 2,500 or more pupils. In addition, those scholarships may be awarded to the senior with the highest grade point average from the school operated by the Wisconsin Center for the Blind and Visually Impaired and the school operated by the Wisconsin Educational Services Program for the Deaf and Hard of Hearing and not more than ten scholarships statewide may be awarded to seniors with the highest grade point averages from high schools enrolling fewer than 80 pupils.

Technical College
 This bill creates a Technical Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain scholars, designated on the basis of level of proficiency in technical education subjects, who enroll, on a full-time basis, in a district school or a proprietary school approved by the Educational Approval Board that is located in this state and that is certified by HEAB as specializing in technical education. Under the Technical Excellence Higher Education Scholarship Program, the number and amounts of scholarships awarded, the duration for which a scholarship may be awarded, the conditions for continued receipt of a scholarship, and the institutional match requirement are the same as under the Academic Excellence Higher Education Scholarship Program.

1 AN ACT to create 20.235 (1) (fw) and 39.415 of the statutes; relating to: technical
2 excellence higher education scholarships, granting rule-making authority, and
3 making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the Higher Educational Aids Board (HEAB) administers the Academic Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain scholars, designated on the basis of grade point average, who enroll, on a full-time basis, in a public or private institution of higher education in this state. Under the program, a higher education scholarship recipient who enrolls in a technical college district school is exempt from all tuition and fees, up to \$2,250 per academic year, for each year, up to three years, that the recipient is enrolled full time, maintains at least a 3.000 grade point average, and makes satisfactory progress toward an associate or a bachelor's degree or a vocational diploma. Under that program, HEAB pays the institution of higher education attended by a scholar up to \$1,125 per academic year and the institution must match the amount paid to the institution by HEAB.

Currently, those scholarships may be awarded: 1) to the senior with the highest grade point average from each high school in this state enrolling at least 80 but fewer than 500 pupils; 2) to the two seniors with the two highest grade point averages from each high school in this state enrolling at least 500 but fewer than 1,000 pupils; 3) to the three seniors with the three highest grade point averages from each high school in this state enrolling at least 1,000 but fewer than 1,500 pupils; 4) to the four

BILL

seniors with the four highest grade point averages from each high school in this state enrolling at least 1,500 but fewer than 2,000 pupils; 5) to the five seniors with the five highest grade point averages from each high school in this state enrolling at least 2,000 but fewer than 2,500 pupils; and 6) to the six seniors with the six highest grade point averages from each high school in this state enrolling 2,500 or more pupils. In addition, those scholarships may be awarded to the senior with the highest grade point average from the school operated by the Wisconsin Center for the Blind and Visually Impaired and the school operated by the Wisconsin Educational Services Program for the Deaf and Hard of Hearing and not more than ten scholarships statewide may be awarded to seniors with the highest grade point averages from high schools enrolling fewer than 80 pupils.

This bill creates a Technical Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain scholars, designated on the basis of level of proficiency in technical education subjects, who enroll, on a full-time basis, in a technical college district school. Under the Technical Excellence Higher Education Scholarship Program, the number and amounts of scholarships awarded, the duration for which a scholarship may be awarded, the conditions for continued receipt of a scholarship, and the institutional match requirement are the same as under the Academic Excellence Higher Education Scholarship Program.
