**Subject:** Amendment to SB 334

Gordon-

When SB 334 was considered in committee on Friday, Mike Queensland at Leg Council indicated to our office that as currently drafted, there is nothing in current law or in SB 334 that would preclude an individual from receiving both the Academic Excellence Higher Education Scholarship (current law) AND the Technical Excellence Higher Education Scholarship (created under the bill). I have discussed this same issue with Emily Pope at LFB this morning, and she concurs. Based on that understanding, we would like an amendment drafted to SB 334 that would preclude an individual from receiving both scholarships.

Since JFC is considering SB 334 tomorrow, we are hoping to have the amendment as soon as possible.

Please let me know if you have any questions, or I'm sure Mike would be willing to discuss this issue as well if necessary.

Thanks,
