Annika,

Please review this draft to ensure it is consistent with your intent. This is a redraft of 2007 AB 608, except that this draft defines “hazardous inhalant” using the definitions found in s. 941.316 and inserts “hazardous inhalant” into the definition of “intoxicant.” In order to avoid an unwieldy definition, I did not copy the definitions found in s. 941.316 into every definition of “intoxicant”; please let me know if this does not satisfy your intent. When this draft meets your approval, I will redraft it into introducible form.
