Subject: Replacement for AA 2 to AB 683

Hi, Mary,

Representative Larson has just spoken with John Mielke of ABC and Loyal O'Leary of NECA about some concerns NECA had about AA 2. To address those concerns, Representative Larson would like you to draft a new amendment makes the following changes to 101.87(1)(a):

- 1.) Add the following bolded language so that (1)(a) begins, "Completion of **a construction electrician** apprenticeship program...."
- 2.) Change the minimum duration from 4 to 3 years (in other words, do what AA 2 does)

Please let me know if you have any questions or concerns. Thanks!

Hi Matt:

I am good with re-wording of amendment although I still don't fully understand what ABC's logic on their proposal. None-the-less, specifying a **Construction Electrician** apprenticeship eliminates any interpretation that a 3 year residential or voice-data-video program would qualify an individual to write the state journeyman exam upon completion.

Thank you for your prompt response.
