ASSEMBLY SUBSTITUTE AMENDMENT 1,  
TO ASSEMBLY BILL 288

January 15, 2014 – Offered by Representative MURPHY.

1     **AN ACT** *to renumber and amend* 43.12 (1); *to amend* 43.12 (2); and *to create*  
2             43.12 (1) (a) 1., 43.12 (1) (a) 2., 43.12 (1) (a) 3., 43.12 (1m) and 43.12 (2) (b) of  
3             the statutes; **relating to:** county payments to public libraries in adjacent  
4             counties.

---

***Analysis by the Legislative Reference Bureau***

Under current law, a county that does not maintain a consolidated public library for the county and that contains residents who are not residents of a municipality that maintains a public library must pay to each public library in the county, and to each public library in an adjacent county, an amount that is equal to at least 70 percent of the amount computed by multiplying the number of loans of material made by that library to residents of the county who are not residents of a municipality that maintains a public library by the library's average operational cost per loan (library service payment).

Under this substitute amendment, before a county that maintains a consolidated public library (consolidated county) may bill an adjacent county for a library service payment, the consolidated county must provide a notice of its intent to bill. Also under this substitute amendment, a consolidated county that bills an adjacent county for a library service payment may be billed by any county that is adjacent to the consolidated county for a modified library service payment. The

amount of the modified library service payment is equal to at least 70 percent of the amount computed by multiplying the number of loans of material made by the billing library to residents of the consolidated county who are not residents of a municipality that contains a branch of the consolidated library by the library's average operational cost per loan.
