2013 BILL

m 9-19-12

✓

Gen

1

AN ACT ...; relating to: securing the ballot container. ✓

the ballots

Analysis by the Legislative Reference Bureau

*

Under current law, election inspectors take all ballots counted by them and secure them together so that they cannot be separated or tampered with without breaking a seal. ✓ The inspectors then put the secured ballots into a ballot container and secure the container so that it cannot be opened without breaking a seal or lock or without destroying the container. ✓ Under this bill, only the chief inspector and one other inspector whose party affiliation is different than the chief inspector's party affiliation may secure the ballot container. ✓

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

✕

2

SECTION 1. 7.51 (3) (a) of the statutes is amended to read:

3

7.51 (3) (a) The inspectors shall place together all ballots counted by them

4

which relate to any national, state or county office or any state, county or technical

5

college district referendum and secure them together so that they cannot be untied

6

or tampered with without breaking the seal. The secured ballots together with any

7

ballots marked "Defective" shall then be secured by the inspectors ✓ chief inspector.

BILL**SECTION 1**

1 and, if available, one other inspector whose party affiliation is different than the
2 chief inspector's party affiliation, in the ballot container in such a manner that the
3 container cannot be opened without breaking the seals or locks, or destroying the
4 container. The inspectors shall place the ballots cast under s. 6.97 in a separate,
5 securely sealed carrier envelope which is clearly marked "Section 6.97 ballots". The
6 chief inspector and 2 other inspectors shall sign the carrier envelope. The carrier
7 envelope shall not be placed in the ballot container. The inspectors shall then deliver
8 the ballots to the municipal clerk in the ballot container and carrier envelope.
