Hi Tracy,

LRB—3638 failed to receive adequate support by the law revision committee to be introduced. Sen. Grothman and Rep. Ott would like to introduce identical companion bills. I have a jacketing email for the draft. Can I just ignore it, or should I do something with it?

Thanks!
Anne

2013 BILL

11/22/13

wanted 11/25

Gen Cat

1 AN ACT *to amend* 118.53 (2) and 118.53 (3) of the statutes; **relating to:**
2 standards for admission into a course offered by a school district of a pupil
3 enrolled in a home-based private educational program.

Analysis by the Legislative Reference Bureau

Current law establishes minimum age requirements for the admission of a pupil into four-year-old kindergarten, five-year-old kindergarten, and first grade but permits a school board of a school district to establish standards for early admission into five-year-old kindergarten and first grade. Current law also requires the school board of each school district to establish standards for admission into high school.

Prior to the enactment of 2013 Wisconsin Act 20 (the biennial budget bill), the law required school boards of school districts operating high school grades to allow a pupil enrolled in a private school, a tribal school, or a home-based educational program and who met the standards for admission to high school to take up to two courses during each school semester if the pupil resided in the school district and if there was sufficient space in the classroom. Act 20 expanded this opportunity to permit any pupil enrolled in a home-based private educational program, and not just a pupil who meets the standards for admission to high school, to attend up to two courses during each school semester in any public school in any school district in the state if the pupil meets the standards for admission to the course. Act 20 also required school districts to determine minimum standards for admission to a course at each grade.

BILL

This bill modifies the expanded program created under Act 20 to reflect the fact that prior law permitted a pupil enrolled in a home-based educational program to attend courses in the high school grades if the pupil met the standards for admission to high school.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, introduced by the Law Revision Committee under s. 13.83 (1) (c) 4. and 5., stats. After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.

1 **SECTION 1.** 118.53 (2) of the statutes, as created by 2013 Wisconsin Act 20, is
2 amended to read:

3 118.53 (2) In addition to the standards for admission under ss. 118.14, 118.145
4 (1), and 120.12 (25), the school board of a district shall determine the minimum
5 standards for admission to a course offered by the school district at each grade in
6 grades kindergarten through 8.

NOTE: Modifies current law under which a pupil enrolled in a home-based private educational program may attend a course offered by a public school. Prior to 2013 Wisconsin Act 20, a pupil attending a home-based program was permitted to take up to two courses at a public high school if the pupil met the minimum standards for admission to high school determined by the school board. Act 20 provides that a pupil enrolled in a home-based program may take up to two courses at any grade if the pupil has met the minimum standards for admission to the course. In addition to the standards for admission to high school and other standards a school board must set, Act 20 requires each school board to determine the minimum standards for admission to a course at each grade. This SECTION provides that the school board must determine the minimum standards for admission to a course offered by a school district in grades kindergarten through 8, instead of at each grade.

7 **SECTION 2.** 118.53 (3) of the statutes, as created by 2013 Wisconsin Act 20, is
8 amended to read:

9 118.53 (3) A school board shall allow a pupil enrolled in a home-based private
10 educational program, who has met the standards for admission to the course under
11 sub. (2), to attend up to 2 courses at a public school in the district during each school

BILL

1 semester if the school board determines that there is sufficient space in the
2 classroom.

NOTE: This SECTION provides that a pupil must have met the standards for admission under s. 118.53 (2) in order to attend courses at a public school instead of the standards for admission to the course.
