2013 ASSEMBLY BILL 456

October 18, 2013 – Introduced by Representatives BALLWEG, BERNIER, BEWLEY, BIES, BROOKS, DANOU, HEBL, JAGLER, LEMAHIEU, MURPHY, A. OTT, PASCH, SANFELIPPO, SEVERSON, STEINEKE, WACHS and HULSEY, cosponsored by Senators OLSEN, HARRIS and RISSER. Referred to Committee on Health.

- 1 **AN ACT to create** 51.42 (7) (d) of the statutes; **relating to:** reporting on county
2 performance on providing core mental health services and requiring the
3 exercise of rule-making authority.

Analysis by the Legislative Reference Bureau

Under current law, among other responsibilities of counties related to mental health of its residents, a county board of supervisors or county boards of supervisors of two or more counties must establish a county department of community programs to administer a community mental health, developmental disabilities, alcoholism and drug abuse program, make appropriations to operate the program, and authorize grant applications to fund the program. The county department of community programs, which is governed by a county community programs board, has various powers and duties including the duties of entering into contracts to render or secure services and preparing a local plan which includes an inventory of existing resources, identifies needed resources and services and contains a plan for meeting the needs of those who are mentally ill, developmentally disabled, alcoholic, or drug abusers and those with other psychiatric disabilities. The Department of Health Services (DHS) also has various duties related to the county departments of community programs including reviewing requests and certifying county departments of community programs and community mental health programs; developing a training curriculum for use in training members of the county community programs boards and county human services boards; and prescribing certain standards and requirements.

Hi again-

I spoke with Bethany and I think you already know this, but I told her I'd put it in writing for clarity—

She would like the amdt redrafted to create a provision which specifies that by Jan 1, 2015, and by Jan 1 of each odd-numbered year thereafter, DHS shall provide a report to the Legislature which describes the mental health services and programs provided by counties and region comprised of multiple counties.

She doesn't want the bill to require any rules or to require counties to report to DHS; DHS says they have no problem getting that info from counties without a statutory directive.

Thx-

Mary

Hi Laura,

Sorry, I know I'm throwing a lot on your plate this morning. Could you review this amendment and confirm that the change to AB 456 will make this requirement in statute starting with reporting on Jan. 1 2015, continuing every Jan 1 of odd number years, and remove the need to make this an administrative rule?

Thanks!
Bethany
