Sarah's (first) question kind of makes me scratch my head, but I can certainly prepare an amendment authorizing DPI to withhold payment. Do you think authorizing withholding of payment if a private school violates 115.383 (3) (b) covers it?

Do they have to get their data to Dpi? That we do intend and if it doesn't do this we need an amendment. Can you talk to Peter? I'm out today and about to get on a lengthy conference call. Thanks.

Hi Sarah,

I just wanted to point out, although you probably intend this, that the sub doesn't permit DPI to withhold payments from choice schools for failing to participate in the SSIS.
