**Subject:** Rep. Goyke Amendment Request - AB 556

Peggy-

I hope you are doing well! Thursday morning we are having an Exec on the bill below in judiciary. Rep. Goyke asked me to get the amendments below drafted. Could these be forwarded for draft? Thank you!

- Ryan

AB 556 (Strip Searches):

- 1) Delete the bill's application to juveniles (sec. 938) (section 1, sub. 3 of the bill) 1753
- 2) Delete the bill's application to noncriminal actions punishable by forfeiture only (the language is part of section 1, sub 4) 1751
- 3) Make the search take place later in the process when the arrestee is to be detained with two or more prisoners. This would delete "will be" and replace with "is incarcerated, imprisoned, or otherwise detained in a jail or prison and must be within that institution in detention with one or more other persons." 1755

### *Analysis by the Legislative Reference Bureau*

Under current law, a person may be strip searched when he or she is arrested for any felony, for certain misdemeanors, or for any misdemeanor or civil violation if there is probable cause to believe that the person is concealing a weapon or concealing something that would constitute evidence of the offense for which he or she has been detained.

Current law requires that the person conducting the strip search is the same sex as the person searched (detainee), unless the search is a body cavity search conducted by a physician, physician assistant or registered nurse, that the detainee be shielded from the view of any person not conducting the search, that the search not be video or audio recorded, that the person conducting the search generally obtains the prior written permission from the chief, sheriff, or law enforcement administrator for his or her jurisdiction, and that the person conducting the search prepares and provides to the detainee a written report that sets forth the details of the search and its authorization.

Under current law, those requirements do not apply if the detainee is confined as a condition of probation or to serve a sentence after a criminal conviction, if the detainee is confined in a juvenile correctional facility or secured residential care center, or if the detainee is committed, transferred, or admitted to certain mental health facilities.

**ASSEMBLY BILL 556**

Under this bill, a person may be strip searched, subject to the requirements imposed under current law, if he or she is arrested or otherwise lawfully detained by law enforcement, and he or she will be incarcerated, imprisoned or otherwise detained in a jail or prison with one or more other persons.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
