This bill is explained in the ~~NOTES~~ provided by the Joint Legislative Council in the bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

~~JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Special Committee on Review of Higher Education Financial Aid Programs.~~

~~Under current law, the Higher Educational Aids Board (HEAB) awards talent incentive program grants, not to exceed \$1,800 per student during a given academic year, to uniquely needy students attending colleges and universities in the state. First-time grant recipients are chosen as freshmen by school financial aid officers or by counselors of the Wisconsin educational opportunities program. The grants may be awarded for no more than ten consecutive semesters.~~

~~Under current HEAB administrative rules, students are required to maintain continuous enrollment from semester to semester, or quarter to quarter, in order to remain eligible to receive talent incentive grants.~~

~~This bill amends s. 39.435 (2), stats., to provide that recipients of talent incentive grants need not maintain continuous enrollment in their higher education institutions. Under the bill, recipients are eligible to receive those grants for up to ten semesters during a six-year period.~~

2013-2014 DRAFTING INSERT
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0714/lins

(INSERT A)

Under current law, the Higher Educational Aids Board (HEAB) awards talent incentive grants to uniquely needy students enrolled at public and private nonprofit institutions of higher education in this state. Currently, HEAB may not award a talent incentive grant to the same student for more than ten consecutive semesters. In addition, under administrative rules promulgated by HEAB, a student must maintain continuous enrollment to remain eligible for a talent incentive grant.

This bill provides that a student need not maintain continuous enrollment to remain eligible for a talent incentive grant. Under the bill, HEAB may award a talent incentive grant to the same student for up to ten semesters, whether or not consecutive, but may not award a talent incentive grant to the same student more than six years after the initial grant is awarded to that student.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
