Assumptions Used in Arriving at Fiscal Estimate

Should this bill be enacted, prosecutors anticipate there will be a modest effect on their workload; however, without data readily available regarding the potential number of violations, it is difficult to quantify how many additional ADAs will be needed or how much of a fiscal impact this bill will have on DA offices.

Long-Range Fiscal Implications

It is difficult to estimate the potential long-term fiscal impact of this bill without having data available regarding the potential number of violations.
