**Assumptions Used in Arriving at Fiscal Estimate**

This bill, if enacted, will create a process by which a law enforcement officer may apply to a court for a warrant to track the location of a cellular telephone or other wireless communications device.

Though District Attorneys may be involved in the warrant application process, they do not anticipate that this bill will have a significant fiscal effect on their offices.

**Long-Range Fiscal Implications**

Prosecutors do not expect a major long-term fiscal impact on their offices should this bill be enacted.
