

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2365/P1dn
PJK:kjf&an

May 20, 2015

I made a number of stylistic changes. Please review the draft carefully to make sure that I have not inadvertently changed the meaning of any provision by doing so.

I have not gone through the draft yet to determine whether any provisions need an initial applicability. Are you aware of any that do?
