

Fiscal Estimate Narratives

DA 4/7/2015

LRB Number	15-1971/1	Introduction Number	AB-0127	Estimate Type	Original
Description Possession of dogs by certain felony offenders and providing a criminal penalty					

Assumptions Used in Arriving at Fiscal Estimate

Current law prohibits a person from possessing a firearm if he or she is a felony offender. This bill prohibits, for a specified period, certain felony offenders from possessing, controlling, or residing with a vicious dog. An offender may request an exemption from the prohibition if the exemption is reasonably needed to earn a livelihood or as a condition of employment and will not endanger public safety.

Prosecutors anticipate that there could be a small fiscal impact on their offices should this bill be enacted, but were unable to quantify how much of an effect there may be. Consequently, the fiscal estimate is indeterminate.

Long-Range Fiscal Implications

Prosecutors expect a small long-term fiscal impact on their offices, but could not determine a precise estimate. The long-term fiscal impact is indeterminate.
