

Fiscal Estimate Narratives

GAB 9/28/2015

LRB Number	15-1569/1	Introduction Number	AB-0328	Estimate Type	Original
Description Legislative and congressional redistricting					

Assumptions Used in Arriving at Fiscal Estimate

The bill's only effect on the Government Accountability Board is that the four selecting authorities shall certify to the chief election officer of the Board the names of their appointees to the temporary redistricting advisory commission, and that commission must also certify its appointment of the fifth commission member to the Board's chief election officer. The bill does not specify any other action to be taken by the Board or its chief election officer. Receiving the names of the appointees to the temporary redistricting advisory commission will not have a fiscal effect on the Board.
