Description Special registration plates associated with the Boy Scouts of America, registration numbers on Special registration plates, and making an appropriation		

Assumptions Used in Arriving at Fiscal Estimate

This bill establishes a special plate for persons interested in expressing support for the Boy Scouts of America that displays the words "Scouting Alumni" and, at the option of the vehicle owner, a logo or symbol associated either with the Boy Scouts of America or with the Eagle Scouts. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and a \$25 annual fee that provides funds to the Boy Scouts of America National Foundation for distribution to local councils located in Wisconsin.

The bill makes a one-time increase to the DMV appropriation, and provides that the Transportation Fund retain contributions, up to \$23,700, to fund the initial cost of production. The \$25 fundraiser fee will be deposited into a fund for the Boy Scouts of America National Foundation after the initial production costs have been covered. On-going cost to DMV would be minimal and could be absorbed within DMV's budget.

The Department assumes that the plate design will be based on the standard DMV design template for special plate types. Based on this assumption, the Department estimates total one-time costs of approximately \$9,000 associated with IT programming and plate design. This cost is incurred before any plates are sold, and regardless of how many plates are sold. Cost includes approximately \$8,300 for data processing system modifications, and \$700 for graphic design.

Long-Range Fiscal Implications

none.
