

Fiscal Estimate Narratives

HEAB 1/5/2016

LRB Number	15-3832/2	Introduction Number	AB-0546	Estimate Type	Original
Description Creating a student loan reimbursement program for individuals who relocate to certain rural counties, authorizing non-rural counties to create a similar student loan reimbursement program, granting rule-making authority, and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

The estimate is indeterminate because the number of counties/individuals who would be eligible cannot be determined at this time. The bill lacks certain definitions such as "certain rural counties" and would a student that graduated from another state be eligible. At this time we don't know how many counties would participate, or be eligible in the GROW Wisconsin program, or if the program would be similar; and has the county made a five year commitment; without this knowledge it's difficult to make an assumption
