**Assumptions Used in Arriving at Fiscal Estimate**

This bill extends the prohibition on those not allowed to possess firearms to not being allowed to possess ammunition.

Prosecutors do not anticipate that this will have a significant fiscal impact on their offices because the majority of violators of this bill already would be in violation of the prohibition to possess a firearm, and would be prosecuted under that statute.

**Long-Range Fiscal Implications**

Prosecutors do not anticipate a long-term fiscal impact on their offices should this bill be enacted.
