## Fiscal Estimate Narratives

DSPS 4/21/2015

LRB Number	<b>15-2100/2</b>	Introduction Number	<b>SB-119</b>	Estimate Type	<b>Original</b>
<b>Description</b> Elimination of the Department of Safety and Professional Services and the Department of Financial Institutions; elimination of the Educational Approval Board; creation of the Department of Financial Institutions and Professional Standards; transfer of the Veterinary Examining Board to the Department of Agriculture, Trade and Consumer Protection, providing an exemption from emergency rule procedures; requiring the exercise of rule-making authority; and making appropriations					

### Assumptions Used in Arriving at Fiscal Estimate

The proposed legislation will eliminate the Department of Safety and Professional Services (DSPS) and transfer all DSPS functions, funding, and positions to the new Department of Financial Institutions and Professional Standards (DFIPS).

This transfer will have the following implications: Transfer Professional Credentialing Boards and Councils; Transfer Safety and Building Boards and Councils; Transfer Program Assets, Liabilities, Contracts, and Pending Matters to DFIPS.

The Department of Safety and Professional Services submitted its Biennial Budget Request for consideration in September 2014. In that budget, DSPS requested the following:

Total Annual Operating Budget FY 2016: \$52,303,400

Total Annual Operating Budget FY 2017: \$52,324,200

Total Positions FY 2016 (FTE): 262.60

Total Positions FY 2017 (FTE): 262.60

The elimination of DSPS will reduce the Total Annual Operating Budgets (revenue budgets and expense budgets) to an amount to be determined and will reduce the Total Positions for FY 2016 to a number to be determined; and reduce the Total Annual Operating Budget (revenue budgets and expense budgets) and Total Positions for FY 2017 to 0.

The creation of DFIPS will increase the Total Annual Operating Budgets (revenue budgets and expense budgets) and increase the Total Positions for both FY 2016 and FY 2017 for the new agency. The creation of new appropriations will be required. The transfer of cash balances will be required.

A summary of the elements related to this bill and the DSPS budget request include the following: 1) Transfer of the Veterinary Examining Board to the Department of Agriculture, Trade and Consumer Protection; 2) Transfer of the Private Onsite Wastewater Treatment System Regulation to the Department of Natural Resources; 3) the Repeal of the Private Onsite Wastewater Treatment System Grant Program; 4) Four-Year Credential Licensing and Installment Payments; 5) Standard Budget Adjustments; 6) the Lapse Requirement; 7) Information Technology Modernization funding; 8) Prescription Drug Monitoring Program funding; 9) Limited-Term Employee funding; 10) Transfer of positions to the Department of Administration and Department of Tourism; and 11) the Shared Agency Services Pilot Program.

### Long-Range Fiscal Implications

The long-range fiscal implications are unknown at this time.
