Assumptions Used in Arriving at Fiscal Estimate

This bill establishes a procedure by which certain persons may make a request for medication for the purpose of ending their lives.

Prosecutors believe that if enacted, this bill will have an impact on their offices because family and friends will be more likely to litigate issues surrounding the death of a family member or friend, and will look for law enforcement to investigate the circumstances of the death to ensure that no abuse or coercion was involved. Because of the uncertainty of how many cases may be litigated, a fiscal estimate is indeterminate.

Long-Range Fiscal Implications

Prosecutors believe enactment of this bill will have a fiscal impact on their offices, but the estimate is indeterminate.
