## Fiscal Estimate Narratives

CTS 1/11/2016

LRB Number	15-3530/1	Introduction Number	SB-314	Estimate Type	Original
<b>Description</b> Adverse possession against the state or a political subdivision					

### Assumptions Used in Arriving at Fiscal Estimate

This bill eliminates the ability of a person to obtain title to or an interest in real property that belongs to the state or a political subdivision through the use of the legal doctrine of adverse possession. The bill applies this provision retroactively to any claim for which the current 20-year occupancy requirement has not been met at the time the new law (created by this bill) would go into effect.

It is not known how many court actions are currently brought each year that involve adverse possession of real property that belongs to the state or a political subdivision. This bill is likely to decrease the number of actions that might have been brought because of its language applying the restriction retroactively. It is expected this bill will have a minor fiscal impact on the court system.
