## Fiscal Estimate Narratives

<b>Description</b> Providing to a victim notification when an offender's extended supervision or parole is revoked					

### Assumptions Used in Arriving at Fiscal Estimate

The State Public Defender (SPD) is statutorily authorized and required to appoint attorneys to represent indigent defendants in criminal and certain commitment proceedings. The SPD plays a critical role in ensuring that the Wisconsin justice system complies with the right to counsel provided by both the state and federal constitutions. Any legislation has the potential to increase SPD costs if it creates a new criminal offense, expands the definition of an existing criminal offense, or increases the penalties for an existing offense.

Under this bill, a victim of a crime also has the right, if he or she wishes, to be notified when an offender's release to parole or extended supervision is revoked for violating a condition of release.

The SPD does not expect there to be any fiscal impact on their caseloads should this bill be enacted.

### Long-Range Fiscal Implications
