Description Using a drone to commit a crime and providing a criminal penalty		

Assumptions Used in Arriving at Fiscal Estimate

Under SB 497, if a drone is used to commit a crime, this bill creates a penalty enhancer. The maximum fines are increased the maximum terms of imprisonment are increased. Because we do not have data on the number of crimes committed with drones, it is indeterminate the amount of increased revenue that would be collected. It is not expected that there would be substantial increased costs to DOJ if SB 497 is enacted.
