### REMARKS BY THE SPEAKER

“Good afternoon and thank you for attending the inauguration of the 102nd Wisconsin State Assembly.

First and foremost, let me offer a warm and heartfelt welcome to the family, friends and special guests joining us today: Lieutenant Governor Rebecca Kleefisch, Justice Patience Roggensack, and Superintendent Tony Evers.

To my fellow representatives, thank you for selecting me, once again, as Speaker of the Assembly. It’s an honor and privilege to serve you and the state of Wisconsin in this capacity.

I also must thank the citizens of the 63rd Assembly District in Racine County who continue to put their trust in me to be their representative.

Today is a day to celebrate. Ninety-nine men and women took the oath of office and became state representatives, each serving as the voice of 57,000 people. Congratulations to all of you.

We share this special occasion with the important people in our lives - sons and daughters, husbands and wives, parents and grandparents - the people each of us depend on for support and guidance. I would like to recognize my mom and dad for being here. Their love and support made me who I am today. Thanks mom and dad.

While we never say it often enough – thank you. Let’s take a moment and give all of our families a well-deserved round of applause from the members.

As we begin a new session of the legislature, we should also take time to remember our predecessors. More than 5,000 people have served in this chamber since Wisconsin’s statehood in 1848.

Today, we are honored to have several former Assembly Speakers with us. I would ask you to hold your applause until I introduce them all. Jeff Fitzgerald served as Speaker from 2011-2013; Mike Huebsch served as Speaker

from 2007-2009; John Gard served as Speaker from 2003-2007; Scott Jensen served as Speaker from 1997-2003; and Ben Brancel served as Speaker in 1997. Justice David Prosser is behind me and I thank him for administering the oath of office. He served as Speaker from 1995-1997. Finally, Judge and former Speaker Harold Froelich served from 1967-1971. Let’s show them our appreciation for their service to the state.

The other former speakers were invited but could not attend and sent their best wishes.

The longest serving Assembly Speaker, Tom Loftus once said to me: we should never forget the Legislature is a co-equal branch of government. As state legislators, we have been given a great responsibility. It’s our job to listen to our constituents and serve as their voice when passing laws and approving a state budget.

But the representatives in the Wisconsin State Assembly do much more: we are creators of big ideas. The legislators in this chamber solve problems impacting families across our state. And they make reforms that improve the state’s bottom line and improve the lives of every person in Wisconsin.

Whether it’s reforming the mental health system, the “first in the nation” independent review of officer involved shootings, or our H.O.P.E. agenda to combat heroin and opiate abuse, these big ideas come from you.

And now it’s your time, it’s our time, to make our mark on the future of Wisconsin. As we work together on these big ideas, I ask that you not take the easy route and just propose additional ways to spend taxpayer dollars. Instead, let’s work to find ways to curb government spending and reduce bureaucracy.

In the next session, we won’t look to create new government programs. Instead, I challenge you to think of ways to reduce the size of government by consolidating agencies and eliminating programs to make government more efficient and effective.

As President Ronald Reagan once said, “Man is not free unless government is limited: as government expands, liberty contracts.”

When Republicans took back the majority in the state Assembly four years ago, we seized the opportunity to make a better Wisconsin. We made important budget reforms and got our fiscal house in order. Last session, we cut taxes, not once, not twice, but three separate times. This session, we can now focus on fundamental government reform.

Wisconsin is a compassionate state and we will continue to help those who are less fortunate and in need of a helping hand. But we will also reform those programs to ensure that temporary assistance is a tool to move people into the real world of work.

It’s time to ask ourselves some tough questions: How much government do we really need as we position ourselves in the global economy? How do we make every citizen as productive as possible? Do we need every state

agency? Is every school, university and technical college preparing every student to succeed in this hypercompetitive world? What regulations can we eliminate? Where can we reduce the role of government and still provide necessary safety nets so the private sector can create jobs?

As we start this session, let us never forget why we are here. We are here to work together to solve problems and I promise you at the end of this legislative session, we will all look back with pride on our accomplishments.

I look forward to working with each and every one of you, Republicans and Democrats alike, to help make your big ideas a reality and make an even better Wisconsin for generations to enjoy.

God bless you and God bless the state of Wisconsin.”

Patrick Fuller  
Assembly Chief Clerk  
17 West Main Street, Suite 401  
Madison, WI 53703

Dear Chief Clerk Fuller:

You have asked for the last day on which the Legislature may act to ensure that a proposed constitutional amendment can be placed on the ballot for the April 7, 2015 spring election. The Legislature must complete action on a proposed constitutional amendment no later than Tuesday, January 27, 2015.

By statute, all proposed constitutional amendments and any other measure or question that is to be submitted to a vote of the people shall be filed with the official or agency responsible for preparing the ballots for the election no later than 70 days before the election at which the amendment, measure or question will appear on the ballot. Wis. Stat. §8.37. Tuesday, January 27, 2015, is 70 days before the April 7, 2015 spring election.

In order for the legislative action to be filed in our office, it is sufficient for the chief clerks to notify our office by e-mail no later than Tuesday, January 27, 2015 that the Legislature passed the resolution. It is not necessary that we receive the signed resolution by the close of business on Tuesday, January 27, 2015.

In order to facilitate preparation for the April 2015 spring election, I suggest sponsoring legislators contact the office of the Attorney General to make arrangements for the preparation of the explanatory statement required by Wis. Stat. §10.01 (2)(c). The explanatory statement is published in the paper by the county clerk immediately before the election. It is also posted at the polling place on Election Day.

Please make the appropriate arrangements to ensure that this information is communicated to the members of the Legislature. If you or any member of the Legislature has a question, please contact me at 608-261-8683, Elections Division Administrator Michael Haas at 608-266-0136, or ask to speak to one of our Elections Specialists.

### AMENDMENTS OFFERED

Assembly Amendment 1 to **Assembly Bill 40** offered by Representative Kleefisch.

Assembly Amendment 1 to Assembly Substitute Amendment 1 to **Assembly Bill 92** offered by Representative Sanfelippo.

### INTRODUCTION AND REFERENCE OF PROPOSALS

Read first time and referred:

#### **Assembly Bill 237**

Relating to: requiring a determination of probable postfertilization age of an unborn child before abortion, prohibiting abortion of an unborn child considered capable of experiencing pain, informed consent, abortion reporting, granting rule-making authority, and providing a criminal penalty.

By Representatives Kremer, Ballweg, Sanfelippo, Allen, R. ### RULING ON THE POINT OF ORDER

On Wednesday, May 13 (page 167 of the Assembly Journal), Representative Kapenga rose to a point of order that Assembly Amendment 15 to **Assembly Bill 192** was not germane under Assembly Rule 54 (3)(f).

Speaker Pro Tempore August ruled the point of order **well taken**. The full text of the ruling by Speaker Pro Tempore August follows:

“Representative Hebl contended that Assembly Amendment 15 to **Assembly Bill 192** was germane under Assembly Rule 54 (4)(e). **Assembly Bill 192** generally adds a requirement for certain unemployment insurance claimants to submit drug tests to receive claims. Assembly Amendment 15 to **Assembly Bill 192** seeks to expand drug testing to a group of individuals who, at the time of the claimant testing, would not be eligible to become a claimant under current unemployment insurance law. Assembly Amendment 15 to **Assembly Bill 192** is certainly not covered by Assembly Rule 54 (4)(e) as the amendment does in fact seek to make changes beyond particularized details. The amendment seeks to expand the testing well outside of the unemployment insurance program. This clearly substantially expands the scope of the bill. I find Representative Kapenga’s point of order **well taken**.”

### RULING ON THE POINT OF ORDER

On Thursday, September 24, (page 293 of the Assembly Journal), Representative Hebl rose to a point of order that Assembly Substitute Amendment 1 to **Assembly Bill 325** was not germane under Assembly Rule 54. The text of that point of order follows:

“Mr. Speaker, I rise on the point of order that Assembly Substitute Amendment 1 to **Assembly Bill 325** is not germane and, therefore, not properly before the body.

While most of the sections of ASA 1 either limit the scope of the bill or accomplish the same purpose of the bill in a different manner, Sections 9 and 11 add new purposes to the bill to require primary elections for school board members in certain district and require the adoption of an apportionment plan after the decennial census. As a result, ASA 1 expands the scope of AB 325. It is, therefore, not germane under Assembly Rule 54 (3)(a) and 54 (3)(f).

Furthermore, the last two clauses of the relating clause of ASA 1 are wholly unrelated and “substantially different” to the relating clause of the original bill, as prohibited under Assembly Rule 54 (1). These changes “totally alter the nature of the proposal,” again in violation of Assembly Rule 54 (1).

Section 9 and 11 of ASA 1 are not “a specific provision amending a general provision,” “accomplishing the same purpose in a different manner,” “limiting the scope of the proposal,” “adding appropriations necessary to fulfill the original intent of the bill,” and “relating only to particularized details.”

It is also important to note that Section 11 of ASA 1 amends statutes created by the 2015-17 state budget and that AB 325 was circulated for cosponsors more than six weeks after the budget was signed into law. So, if the changes in section 11 of the amendment were part of the original intent of the bill, the author, the gentleman from the 62nd, had ample opportunity to include that provision in his original bill. He did not.

Now, because of the inclusion of Sections 9 and 11, this substitute amendment is not germane and not properly before this body.

Thank you, Mr. Speaker.”

Speaker Pro Tempore August ruled the point of order **not well taken**. The full text of the ruling by Speaker Pro Tempore August follows:

“After consideration of your point of order that Assembly Substitute Amendment 1 to **Assembly Bill 325** is not germane under various provisions of Assembly Rule 54, I find that:

It is the opinion of the Chair that the point of order is **not well taken** pursuant to Assembly Rule 54 4(b) and 54 4(c).”

### RULING ON THE POINT OF ORDER

On Wednesday, October 21, (page 341 of the Assembly Journal), Representative Barca rose to the point of order that reconsideration of the vote by which **Assembly Bill 387** was engrossed required a 2/3 vote.

Speaker Pro Tempore August ruled the point of order **not well taken**. The full text of the ruling by Speaker Pro Tempore August follows:

“Representative Barca raised a point of order that the motion to reconsider engrossment of **Assembly Bill 387** made by Representative Steineke had not passed because two-thirds of members present had not voted aye. Representative Barca pointed to Assembly Rule 33 (4) which states, in part, “The motion to advance the proposal to its 3rd reading and the motion to message the proposal to the other

house may be adopted by a majority of the members present and voting.”

Representative Barca correctly points out that advancing a proposal under a special order of business or messaging a proposal under a special order of business to the other house requires a majority of members voting. Assembly Rule 33 (4) makes this clarification due to the fact that under a normal order of business, advancing a proposal to its 3<sup>rd</sup> reading or messaging a proposal to the other house on the same legislative day requires a suspension of the rules motion, which requires a 2/3 vote.

Assembly Rule 33 is silent on what threshold is required to reconsider any action on a special order of business. Because this rule is silent on the matter, consulting Assembly Rule 76 is necessary. Assembly Rule 76 (1) states “Unless otherwise required by the state constitution, by law, or by legislative rule, all questions are decided by a majority of a quorum.”

After a review of the state constitution, state law, and Assembly Rules, there are no additional requirements placed on thresholds required for a motion to reconsider to prevail. Therefore all questions relating to reconsidering an action on a proposal are decided by a majority of a quorum. Representative Steineke’s motion to reconsider engrossment of **Assembly Bill 387** clearly and without ambiguity achieved more than a majority of the quorum present. Therefore I find Representative Barca’s point of order **not well taken.**”

Assembly Chief Clerk  
17 West Main Street, Suite 401  
Madison, WI 53703

Dear Chief Clerk Fuller:

I write to notify you of my wish to be recused from the vote to concur Senate changes to Assembly Bill 387 because it will have a direct financial benefit to my campaign committee and is drafted to take effect during the current legislative session. Since campaign committees exist to help legislators win reelection, the bill stands to provide a financial benefit to me as an incumbent.

Should you have questions, please feel free to contact me. Thank you for your assistance.

Sincerely,  
*DANIEL RIEMER*

<u>Act Number</u>	<u>Bill Number</u>	<u>Publication Date</u>
<b>Wisconsin Act 117</b> ...	Assembly Bill 387.	December 17, 2015

<b>Wisconsin Act 119</b> ...	Assembly Bill 394.	December 17, 2015
<b>Wisconsin Act 120</b> ....	Assembly Bill 23..	December 17, 2015

December 16, 2015

To the Honorable Members of the Assembly:

I have approved Assembly Bill 388 as 2015 Wisconsin Act 118 and have deposited it in the Office of the Secretary of State. I have exercised the partial veto in Section 170, as it relates to s. 15.61 (1) (a) (5) and Section 172, as it relates to s. 15.62 (1) (a) (5).

Assembly Bill 388 reorganizes the Government Accountability Board into the Elections and Ethics Commissions in order to ensure transparency and accountability of the oversight of elections, ethics, lobbying and campaign finance laws for the people of the state of Wisconsin. While I fully support the bill, I am making one minor change.

I have exercised the partial veto in Section 170, as it relates to s. 15.61 (1) (a) (5) and Section 172, as it relates to s. 15.62 (1) (a) (5), in order to ensure that I receive an adequate number of nominations for the commission appointments of county or municipal clerks and former judges. These provisions require that legislative leadership from each party prepare lists of not more than three individuals for the Governor's two nominations of county or municipal clerks for the Elections Commissions and of former judges for the Ethics Commission. The partial veto will ensure that I receive three nominations for each appointment.

Respectfully submitted,  
*SCOTT WALKER*  
Governor

Pursuant to s. 35.095 (1)(b), Wisconsin Statutes, the following 2015 Act has been published:

<u>Act Number</u>	<u>Bill Number</u>	<u>Publication Date</u>
<b>Wisconsin Act 150</b> ...	Assembly Bill 373..	February 13, 2016

State of Wisconsin  
Office of the Governor  
Madison

February 12, 2016

To the Honorable Members of the Assembly:

I have approved Assembly Bill 373 as 2015 Wisconsin Act 150 and have deposited it in the Office of the Secretary of State. I have exercised the partial veto in section 94.

Assembly Bill 373 modernizes state employment practices. The bill places a high priority on job performance and accountability in order to ensure that Wisconsin tax dollars are well spent and the best employees are rewarded for their dedicated service. It streamlines hiring, termination, layoff and grievance processes to be both clearer for employees and employers and more efficient overall. While I fully support the bill, I am making one change to it.

The bill requires the Division of Personnel Management to study certain aspects of the state civil service and report its findings to the Governor and the Legislature by January 1, 2017. I am exercising the partial veto in Section 94 to remove the prescribed distribution of the report. While I support the study included in the legislation, managing the state workforce is an executive branch function. If additional statutory changes are recommended as part of this study, I will review and discuss with legislative leadership.

This legislation will ensure that state government attracts and retains the most highly qualified employees to deliver efficient customer services to our taxpayers.

Respectfully submitted,  
*SCOTT WALKER*  
Governor

Patrick E. Fuller  
Assembly Chief Clerk  
17 West Main Street, Suite 401  
Madison, WI 53703

Dear Chief Clerk Fuller:

Assembly Bill 554 passed the Assembly Committee on Energy and Utilities and subsequently passed the Assembly on a voice vote on January 12th. At the time, the Wisconsin League of Municipalities had registered its support for the bill as amended.

Had it not been for the Wisconsin League of Municipalities registering in support of the legislation, I would have voted no on the proposal. The municipal water systems serving residents of my district do provide residents with clean, safe water based on test results and there would simply be no need or rationale for a municipality within my district to consider the sale or lease of their system to a private entity as envisioned under this bill.

However, the League of Municipalities made a compelling argument to provide local governments whose water systems were insufficient and not meeting basic standards with the ability to consider the sale or lease of their municipal water system. Especially if it meant problems with the systems could be rectified sooner by larger companies who were able to employ economies of scale.

As my position on the bill was based upon the support of the Wisconsin League of Municipalities and the League has now withdrawn their support for the bill, I would like to have the Assembly Journal reflect that I would have voted no on 2015 AB 554 in the Assembly Energy and Utilities Committee and on the Assembly floor.

Thank you for your consideration of this request. Please let me know if you have any questions.

Sincerely,  
*ROBB KAHL*

State of Wisconsin  
Office of the Governor  
Madison

April 26, 2016

To the Honorable Members of the Assembly:

I have approved Assembly Bill 657 as 2015 Wisconsin Act 388 and have deposited it in the Office of the Secretary of State. I have exercised the partial veto on Section 4.

Assembly Bill 657 would create a new alternatives to prosecution and incarceration for persons who use alcohol or other drugs; grants appropriation in the Department of Justice. Funds placed in the appropriation would be used for making grants to counties under the Treatment Alternatives and Diversion program. The bill would also add a requirement that a program funded by a Treatment Alternatives and Diversion grant cannot prohibit a person from participating in the program due to the use of a medication that has been approved by the federal Food and Drug Administration to treat substance abuse. While I fully support the intent of the bill, I am eliminating one provision of it.

The bill requires the Department of Administration, when establishing base funding for the 2017-19 biennial budget, to increase the base funding for the alternatives to prosecution and incarceration for persons who use alcohol or other drugs; presentencing assessments appropriation by \$2,000,000 GPR. I am exercising the partial veto to strike Section 4, in order to remove this mandatory increase in base funding for the 2017-19 biennial budget. While I support the Treatment Alternatives and Diversion program, I object to this provision, as it mandates a biennial budget component, thereby contravening the statutory role of the executive in presenting budget recommendations to the Legislature. Additionally, it should also be noted that the Department of Justice has, in recent years, lapsed unspent Treatment Alternatives and Diversion program funds.
