# Assembly Amendment 1

Memo published: May 6, 2015 Contact: Brian Larson, Staff Attorney (266-0680)

#### 2015 ASSEMBLY BILL 31

Pursuant to the tax refund intercept program (TRIP) under current law, when a municipality or county is owed a debt that meets certain requirements under the program, it may certify the debt to the Department of Revenue (DOR). If a state tax refund is owed to the debtor, DOR will collect the debt on behalf of the municipality or county by subtracting it from the refund. The bill would allow the TRIP program to be applied to a debt owed to an ambulance service operating on behalf of or in service to a municipality or county, or pursuant to a contract with a municipality or county, if the debt relates to providing ambulance services to individuals in that municipality or county in response to a 911 request.

# ASSEMBLY AMENDMENT 1

The amendment removes the language in the bill allowing the TRIP program to be applied to a debt owed to an ambulance service operating *on behalf of or in service to* a municipality or county. The amendment retains the provision in the bill that would allow the TRIP program to be applied to a debt owed to an ambulance service *operating pursuant to a contract with* a municipality or county.
