alternative education grants				

Assumptions Used in Arriving at Fiscal Estimate

This bill eliminates the requirement that DPI award grants for alternative education programs and eliminates DPI's rules related to the administration of these grants. Program language still exists in statue, but the appropriation has been \$0 since the 2011-13 biennium, when the funding was deleted under 2011 Act 32. While this bill removes the statutory references, it has no fiscal impact at the state or local levels.
